OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 13 July 1966

25X1 [REDACTED]

25X1 2. [REDACTED] Talked with Senator Henry M. Jackson and reviewed with him the Senate Foreign Relations matter coming up on the floor tomorrow. He provided us with a copy of his proposed floor statement. ✓

Also checked on this same topic in the offices of Senators Saltonstall, Symington, Hayden and Young. There appears to be nothing further the Agency can do to assist the Senators. The best estimate is a vote supporting Russell of about 64 to 23.
